

## The Forest Opening Cutscene

**A forest sprawls underneath the camera, flying slowly over the top of the trees. Mountains are in the distance. The sky is blue and clear. Birds flutter up from a tall tree. A clearing comes into view, with a log and stone cabin and a well in the center.**

**We come closer to the cabin, sweeping along the outside wall and past a spider in the corner of the roof's overhang, through a slightly dirty window. Inside, a threadbare blanket on a straw and wood bed shifts. There is someone underneath.**

**As the camera settles on the floor on the other side of the bed, the character pushes the blankets aside and swings their feet onto the dusty wood floor. The character rubs their eyes and turns their head to a squat bedside table.**

**On top of the bedside table, a sheet of paper sits face-down. The character takes the paper and brings it up to look at. The paper says, "To Do: Chop Wood, String Bow, Cook Meat."**
